

**INDOW INSERTS
FIT ANY WINDOW**

A PERFECT FIT FOR ANY HOME

No matter the shape, Indow window inserts are custom made to press inside your window frames. They install without a mounting bracket, preserving your home's heritage. You'll enjoy:

COMFORT Block cold drafts and hot summer air

SAVINGS Double-pane window efficiency at a much lower cost

QUIET Block up to 70% of the noise coming through your windows

AESTHETICS Virtually invisible and ideal for heritage windows

EASE OF USE Lightweight for simple installation and removal
